### **A Note From Pastor Andrew**

Well, we had a great meeting this last Sunday. I always hear from people that they dread annual meetings. In fact, I have found myself saying this several times in the past, but I believe we must look at it this way. Yes, it is the time to get the business of the church done, but it also gives us a chance to discern our relationship with each other and with how we can invest/reinvest, commit/recommit to the congregation we are a part of, all in Christ's name. I left the meeting energized. I recognize there is a lot of work to be done by us all, but also happy we had this time to come together and listen to one another. Continue to think about our teams, how you may fit in, even if it is simply attending one of the meetings, or inquiring about what a team does. Continue to think about if you may want to attend the Synod Assembly this year in Pinckney. (May 13 & 14) I guess pray about how you can serve CTK and how we can serve you. Thanks to all the leadership for continuing their commitment to service and our new council members, Cindy Goerke and Scott Dewitt. Do not forget we have our new prayer hour on Wednesdays from 11:30 to 12:30. This is a time to come and pray in silence with a short led prayer at noon. Lots happening and I give thanks for all of you. Remember my door is always open.

Pastor Andrew

With both our moves along with various other factors there are quite a few names on the church roles that could be labeled "inactive."
